

Jerzee

Jerzee has been swimming for a little over a year and her favourite stroke is backstroke. She likes swimming because it is both good exercise and it's fun. Jerzee also likes the freedom that she has in the water. Her favourite part of the Para Storm Swim Club is being part of the decision making and that there are other kids with a disability there. Outside of swimming Jerzee likes horseback riding, drawing, reading and working at charity events. Jerzee's favourite book is "In a Blink/A Space Between" and her favourite song is "What makes you beautiful" by One Direction. Jerzee has been working hard on her breathing patterning and is improving at every practise.
